

10 THINGS YOU GET WITH TMA

JOIN THE FAMILY OF MEDICINE

Add your voice to nearly 60,000 current and future Texas physicians.

PROTECT YOUR PATIENTS AND PROFESSION

Participate in year-round advocacy at the state and federal level to protect your ability to provide optimal care to patients.

GROW AS A LEADER

Get personal and professional leadership training and attend relevant medical conferences and events that are free to members.

ACCESS TRUSTED PRACTICE EXPERTISE

Trained TMA experts assist you with resolving health insurance payment issues, operating your practice, and managing technology, contracts, vendors, and more.

MANAGE YOUR CAREER

Search or list job openings for your health care team, and utilize resources for career planning, contract negotiation, and more.

PUT WELLNESS FIRST

Protect yourself from physician fatigue with programs, services, and free counseling to improve wellness and work-life balance.

GET FREE CME

Access hundreds of free continuing medical education (CME) hours to meet licensing requirements or hone a new skill.

SUPPORT YOUR COMMUNITY

Host free turn-key public health programs in your community – providing resources such as free books on healthy habits and helmets for children.

RECEIVE ESSENTIAL NEWS

Always remain up to date with timely, relevant, and accurate news tailored to physicians.

UNLOCK EXCLUSIVE BENEFITS

Enjoy members-only access to insurance services and more.

THRIVE IN TEXAS' OUTSTANDING PRACTICE ENVIRONMENT

TMA strives to make Texas the best place to practice medicine. Benefit from TMA's landmark legislation like medical liability reforms, strong corporate practice of medicine laws, and year-round advocacy to stop scope-of-practice expansions and reduce health insurance hassles.

TMA SUPPORTS YOU AT EVERY STAGE AND IN ANY PRACTICE SETTING

TMA advocates on your behalf, to protect the patient-physician relationship, and ensure you will be there when Texas patients need you.

Physicians Caring for Texans.
