

Dear Young Physician Section members:

Join the Texas Medical Association's Young Physician (YPS) Section virtually and at [TexMed 2026](#), TMA's annual conference. Enjoy mingling with colleagues, meeting TMA leaders from around the state, and engaging speakers.

The conference takes place April 16-18 at the Hilliard Center and Omni Hotel in Corpus Christi. [Register now](#) to avoid the \$25 registration fee and don't forget to [RSVP](#) for section activities.

Virtual YPS Caucus Meeting | *Wednesday, March 25, 6-7 pm*

The section will meet virtually before TexMed to discuss TMA House of Delegates (HOD) reports and resolutions. [Register](#) to receive the Zoom link. If there is an item you'd like the section to discuss, please [submit it online](#). TMA members can also submit individual virtual testimony on any resolution prior to March 27. Additional details, including the Speaker's Letter, are available on the [HOD webpage](#).

All-Conference Mixer | *Thursday, April 16, 8-11 pm*

Come celebrate the 50th anniversary of the Medical Student and Resident and Fellow Sections with delicious snacks, drinks, plenty of networking and more! Don't miss this fun event open to all conference attendees and hosted by TMA sections with support from TMA Insurance Trust (TMAIT). Stay tuned to hear more about this celebration and the opportunities coming your way.

Joint Sections Meeting | *Friday, April 17, 2-4:30 pm*

Five of the six sections will gather together after reference committee hearings for award presentations, leadership recognition, and HOD resolution briefings from each section, followed by individual section breakouts.

More About TexMed

A lot happens at TexMed each year in addition to business meetings:

- Young physicians can tap into discounted tickets to the [annual TMA Foundation gala, BEACH party](#).
- Explore more than 35 hours of CME on Friday and Saturday
- Testify at a HOD reference committee meeting Friday, starting at noon
- Attend the HOD business meeting Saturday, April 18, starting at 8:30 am
- Get inspired by the opening keynote, "An Astronaut's Perspective: The Future of Medicine and Beyond" with physician, astronaut, and entrepreneur Bernard A. Harris, Jr., MD.
